About Smart Sand:

Smart Sand is a pure-play, low-cost producer of high-quality Northern White raw frac sand. We sell our products primarily to oil and natural gas exploration and production companies and oilfield service companies. We own and operate a raw frac sand mine and processing facility near Oakdale, Wisconsin, at which we currently have approximately 332 million tons of proven recoverable reserves. We currently have 3.3 million tons of annual processing capacity and are expanding our annual nameplate processing capacity to 5.5 million tons. We expect to complete our capacity expansion in the second quarter of 2018. For more information, please visit www.smartsand.com.
